

Approved by WPLS Board May 11, 2012. Revision approved March 1, 2024

Western Plains Library System

Petitions Policy

Western Plains Library System does not allow distribution of petitions or petitioning inside any library facilities operated by the System, unless said petitions are directly related to the operations of the System or library services.

WPLS libraries are located on city-owned properties; therefore, local city governments should be contacted for guidelines/ordinances related to petitioning outside library facilities.
